

(4) Units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students of the institution;

(5) Manufactured homes; and

(6) Transitional Housing.

(b) *Prohibition against assistance for owner-occupied unit.* The PHA may not attach or pay PBV assistance for a unit occupied by an owner of the housing. A member of a cooperative who owns shares in the project assisted under the PBV program shall not be considered an owner for purposes of participation in the PBV program.

(c) *Prohibition against selecting unit occupied by an ineligible family.* Before a PHA selects a specific unit to which assistance is to be attached, the PHA must determine whether the unit is occupied and, if occupied, whether the unit's occupants are eligible for assistance. The PHA must not select or enter into an Agreement or HAP contract for a unit occupied by a family ineligible for participation in the PBV program.

(d) *Prohibition against assistance for units for which commencement of construction or rehabilitation occurred prior to AHAP.* The PHA may not attach or pay PBV assistance for units for which construction or rehabilitation has commenced as defined in § 983.152 after proposal submission and prior to execution of an AHAP.

§ 983.54 Prohibition of assistance for units in subsidized housing.

A PHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

(a) A public housing dwelling unit;

(b) A unit subsidized with any other form of Section 8 assistance (tenant-based or project-based);

(c) A unit subsidized with any governmental rent subsidy (a subsidy that pays all or any part of the rent);

(d) A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;

(e) A unit subsidized with Section 236 rental assistance payments (12 U.S.C. 1715z-1). However, the PHA may attach assistance to a unit subsidized with

Section 236 interest reduction payments;

(f) A unit subsidized with rental assistance payments under Section 521 of the Housing Act of 1949, 42 U.S.C. 1490a (a Rural Housing Service Program). However, the PHA may attach assistance for a unit subsidized with Section 515 interest reduction payments (42 U.S.C. 1485);

(g) A Section 202 project for non-elderly persons with disabilities (assistance under Section 162 of the Housing and Community Development Act of 1987, 12 U.S.C. 1701q note);

(h) Section 811 project-based supportive housing for persons with disabilities (42 U.S.C. 8013);

(i) Section 202 supportive housing for the elderly (12 U.S.C. 1701q);

(j) A Section 101 rent supplement project (12 U.S.C. 1701s);

(k) A unit subsidized with any form of tenant-based rental assistance (as defined at 24 CFR 982.1(b)(2)) (e.g., a unit subsidized with tenant-based rental assistance under the HOME program, 42 U.S.C. 12701 *et seq.*);

(l) A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or by the PHA in accordance with HUD requirements. For this purpose, "housing subsidy" does not include the housing component of a welfare payment; a social security payment; or a federal, state, or local tax concession (such as relief from local real property taxes).

§ 983.55 Prohibition of excess public assistance.

(a) *Subsidy layering requirements.* The PHA may provide PBV assistance only in accordance with HUD subsidy layering regulations (24 CFR 4.13) and other requirements. The subsidy layering review is intended to prevent excessive public assistance for the housing by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits. The subsidy layering requirements are not applicable to existing housing. A further subsidy layering

review is not required for housing selected as new construction or rehabilitation of housing, if HUD's designee has conducted a review, which included a review of PBV assistance, in accordance with HUD's PBV subsidy layering review guidelines.

(b) *When subsidy layering review is conducted.* The PHA may not enter into an Agreement or HAP contract until HUD or a housing credit agency approved by HUD has conducted any required subsidy layering review and determined that the PBV assistance is in accordance with HUD subsidy layering requirements.

(c) *Owner certification.* The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements.

§ 983.56 Cap on number of PBV units in each project.

(a) *25 percent per project cap.* Except as provided in paragraph (b) of this section, the PHA may not select a proposal to provide PBV assistance for units in a project or enter into an Agreement or HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP is more than 25 percent of the number of dwelling units (assisted or unassisted) in the project.

(b) *Exception to 25 percent per building cap—(1) When PBV units are not counted against cap.* In the following cases, PBV units are not counted against the 25 percent per project cap:

- (i) Units in a single-family building;
- (ii) Excepted units in a multifamily project.

(2) Terms (i) "Excepted units" means units in a multifamily project that are specifically made available for qualifying families.

- (ii) "Qualifying families" means:
 - (A) Elderly and/or disabled families; and/or

(B) Families receiving supportive services. PHAs must include in the PHA administrative plan the type of services offered to families for a project to qualify for the exception and the extent to which such services will be provided. It is not necessary that the services be provided at or by the project, if they are approved services. To qualify, a family must have at least one member receiving at least one qualifying supportive service. A PHA may not require participation in medical or disability-related services other than drug and alcohol treatment in the case of current abusers as a condition of living in an excepted unit, although such services may be offered. If a family at the time of initial tenancy is receiving, and while the resident of an excepted unit has received, FSS supportive services or any other supportive services as defined in the PHA administrative plan, and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit. If a family in an excepted unit fails without good cause to complete its FSS contract of participation or if the family fails to complete the supportive services requirement as outlined in the PHA administrative plan, the PHA will take the actions provided under § 983.262(d), and the owner may terminate the lease in accordance with § 983.257(c). Also, at the time of initial lease execution between the family and the owner, the family and the PHA must sign a statement of family responsibility. The statement of family responsibility must contain all family obligations including the family's participation in a service program under this section. Failure by the family without good cause to fulfill its service obligation will require the PHA to terminate assistance. If the unit at the time of such termination is an excepted unit, the exception continues to apply to the unit as long as the unit is made available to another qualifying family.

(C) The PHA must monitor the excepted family's continued receipt of supportive services and take appropriate action regarding those families
